# I. Summary

## **Connect, Create & Care**

At New Life Fellowship, our Youth Ministry focuses on the spiritual development and growth of the young people in our church. Our goal is to see three things happen in our youth ministry: Connect, Create & Care.

**Connect:** We want to see our youth ministry become a place where the youth belong. As a result, we value every person who comes, male and female, believer and non-believer alike, to become connected both with the ministry and with God. We want them to have a genuinely personal relationship with God, as well as with others in the ministry, including both leaders and fellow members.

**Create:** We also want creativity to be featured in our youth ministry, drawing new guests weekly as we reach out to our community youth, by offering both fun and new events attractive to young people.

**Care:** We will also see the youth connected to meaningful relationships with people who will care for them as they deal with the vicissitudes of life. In addition, we also will give them the means necessary to assist people who are going through difficult situations and problems. They, in turn, will become the people who will help to bear one another's burdens.

In summary, the youth ministry exists to build young leaders who will have strong spiritual foundations as they move into the transitional, formative years of their lives. As they continue as key members of New Life, they will become the next generation of young families, business leaders, pastoral leaders and ministry leaders and they will begin to lead and shape the church as we continue to move into the future and all that God has prepared for our church.

The focus for our youth ministry is to reach youth who are secondary school, high school and college (ages 13-23).

**Annual cost of Youth Ministry: \$ 6,000 USD**

## II. Introduction

New Life Fellowship was founded in 1994 as a response to the urgent need to rebuild the war-torn nation of Cambodia and to equip Cambodians to have a hope-filled future.

*New Life Fellowship exists to plant a large, New Testament Church in Phnom Penh which will have a positive influence on every sector of Cambodian society: Religion, Education, Politics, Social Relationships, Business, Sports and Communication. It will be a model and resource center for planting churches in every province of Cambodia with the same philosophy and biblical foundation. It will also send Cambodians as missionaries to other countries.*

New Life's track record since 1994 has been that of being a catalyst for genuine life transformation and a steward of the God-given opportunities and resources. It has operated with an intentionality in maintaining focus on what will have the utmost eternal impact. New Life Fellowship has also strongly committed to being a generous resource center and model for the larger Body of Christ in Cambodia. New Life Fellowship's community outreach arm, New Life Foundation, partners with Cambodia's Ministry of Education, Youth and Sports through several projects including our Office Skills Training Centers, Cambodia's Children at Risk child sponsorship program, Patient Care Ministry, as well as other initiatives. Over 20,000 people have been ministered to through New Life Fellowship's various initiatives since its inception in 1994

New Life Fellowship has been recognized not only by the Cambodian government, but also by both Christian and secular groups in Cambodia. It has also been recognized abroad as having a profound grassroots impact on Cambodian society.

The vision and opportunities provided by New Life Fellowship continue to be of utmost relevance to the needs of the Cambodian people.

### III. Needs

At New Life, we work hard to ensure that every church member has a strong, Christian foundation. This also extends to our youth ministry. Regardless of age, we know that it is vital for every believer to have a daily relationship with God and be connected to a community of believers who will encourage them to continue fighting the good fight of faith.

We also realize that it is important for young people to have a place that they feel is new and current and meets their needs of fun and excitement. It is also important that they have a place where they can feel safe and valued. Finally, we know that their parents appreciate knowing that their children are in a safe place where they can grow in their relationship with God.

We feel that the youth ministry in New Life Fellowship meets all of those needs.

### IV. Objectives

The objectives of Youth Ministry are:

- To give youth a place where they are connected in meaningful relationships with others in New Life and with God.
- To create a place that is modern, fun and attractive to the youth
- To provide a safe place that cares for the needs of the youth.
